Hello,

The City of Los Angeles' Board of Public Works is coming to West Los Angeles on Monday, June 13. It will be held inside the auditorium at Cheviot Hills Recreation Center. Parking is available in the large parking lot next to the auditorium.

Councilmember Koretz worked with the Board of Public Works to have this special town hall meeting as a way for constituents to meet the directors of each bureau, and others in charge of various services at the Department of Public Works. Normally, their meetings are at City Hall, but this one is out in the city, and there won't be items on the agenda. The focus at this meeting to inform you on what the department does, and address your concerns. You'll be able to address things like: potholes, homeless encampments, trees, graffiti, sidewalks, and many others. We look forward to seeing you there!

Thank you,

John Darnell
